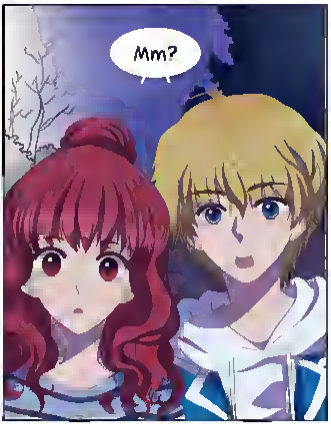
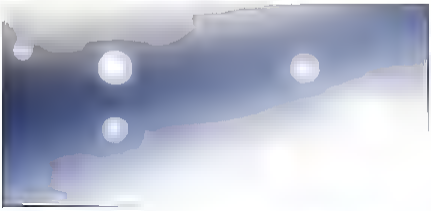
It's been a day now. Please make sure to give the necklace back to me later
I know. Who said I wouldn't?

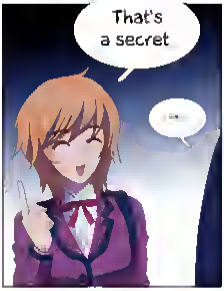
Ah, did he come? What song should I sing today



Mm?



There's something I need to do around here
It's urgent. Let me go.
What's so urgent? I keep telling you it's dangerous



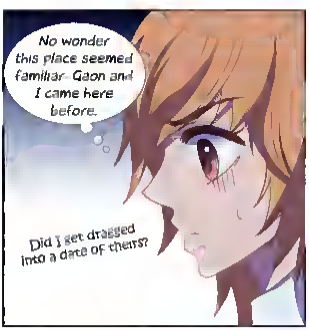
That's a secret
...

Eek!
You're choking me. Really!
You sure know how to tease. You've grown up a lot

We're here.
Stay and listen
for a little while.
She sings really
well.
This path
seems familiar.

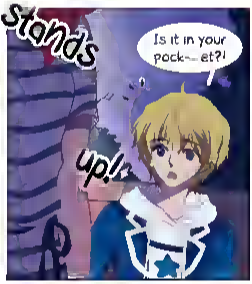
Um?

He already had a girlfriend?

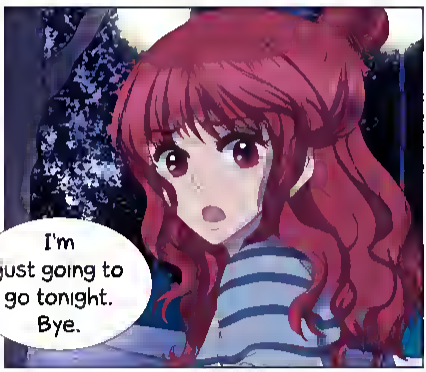


THIS GUY, REALLY...
Clueless

Nuna! Nuna! The necklace belongs to that girl! Give it back to her, hurry!



Stands up!
Is it in your pock—et?!



I'm just going to go tonight. Bye.

HUH? NUNA!

Glaring at me, how annoying

Earlier when I had class together with Yeojin,
I was late so I had to sit behind her.
She was definitely looking over at...
Still, we eat together.
Actually he just ambushed her with food when she was resting on a chair.
And talk on the phone.
Actually he just does her homework for her. Even though she tried to refuse, he used it as an excuse to get her number

I thought she was beginning to like me.

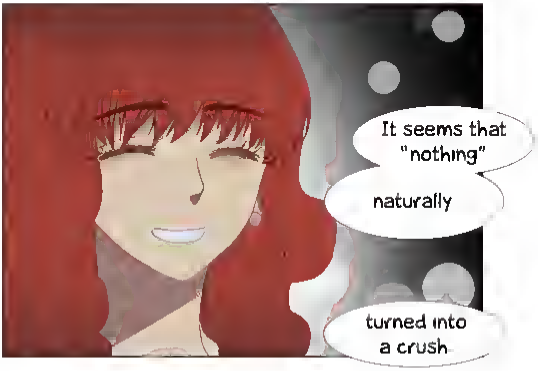
When we met face to face for the first time, I was only shy because I didn't expect to abruptly see him during the day.
It was nothing then.
But when he brought a high school girl with him last time, I was suddenly upset.

I came to like him



I think I understand now. He has entered my heart

I... I can't believe Han Bit when he said he did not know you. It's... It's nothing.

So I'm going to end it now.

I know he's always been like this, but he really is weird.
Now that I'm lying down, I'm sleepy...
He's so clueless about how people feel! That idiot! But at the same time, it's so funny!!

That guy has been clueless in that way for a long time.
I've known he was like that since high school...
Since high school...

If I don't get up I might actually fall asleep

When you first saw Yeojin,

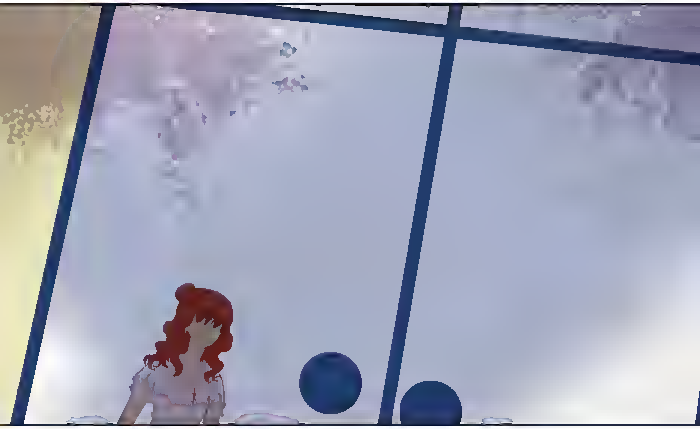
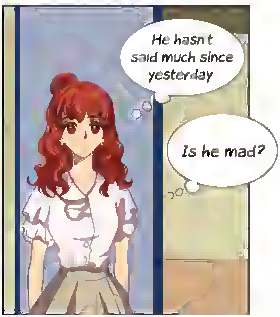
Let's continue our story with Yeojin from last chapter, where she had just finished her conversation with Bakha.





Yesterday...
I got angry so suddenly.
I couldn't think straight,
so I left

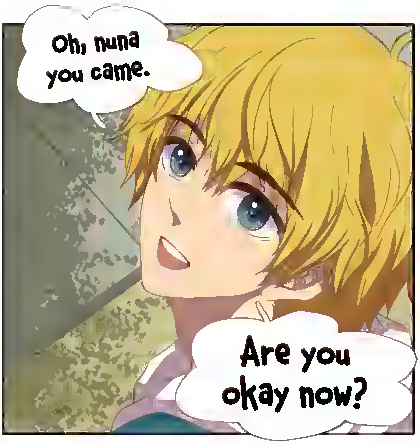
she was the owner of
the necklace? Strange
how things work out

Gaon
Are you
mad?



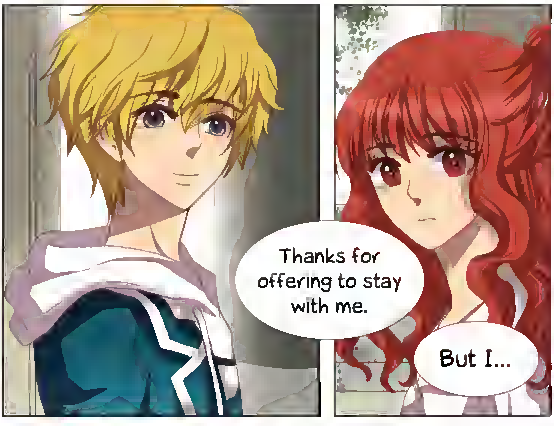
Oh, nuna you came.
Are you okay now?

I was worried because you seemed upset.
By the way, why would I be mad?

This kid has a good heart.
Gaon, can't you just...
I'm so thankful.

Stay with me?

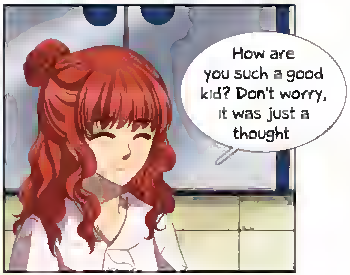
It doesn't matter who you're with, right?
As long as someone, anyone, is there?



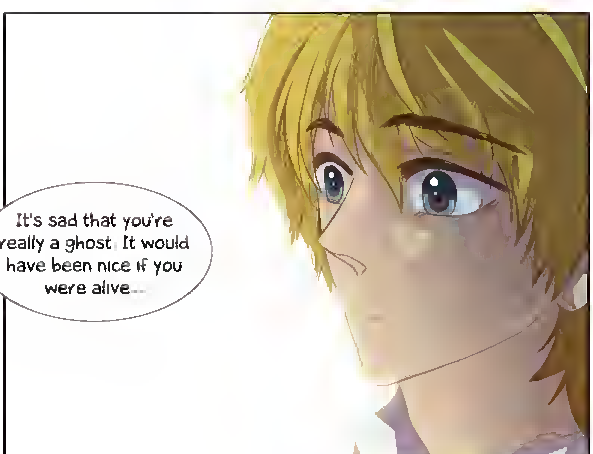
Thanks for offering to stay with me.
But I...

like being with Haram

Uh oh! I didn't mean that I don't like Nuna! No! Don't get mad!
Aigoo!

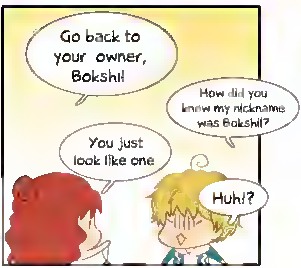


How are you such a good kid? Don't worry, it was just a thought



It's sad that you're really a ghost. It would have been nice if you were alive...

Ah I'll give this back



Go back to your owner, Bokshi!
How did you know my nickname was Bokshi?
You just look like one

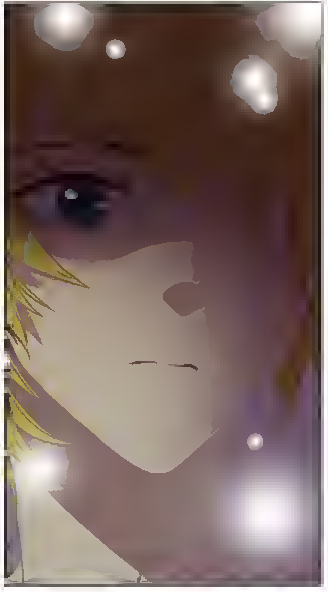
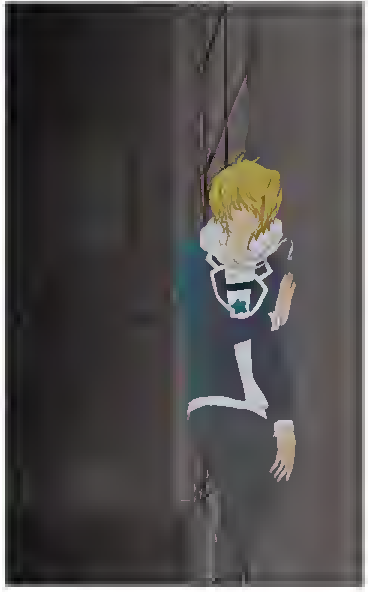
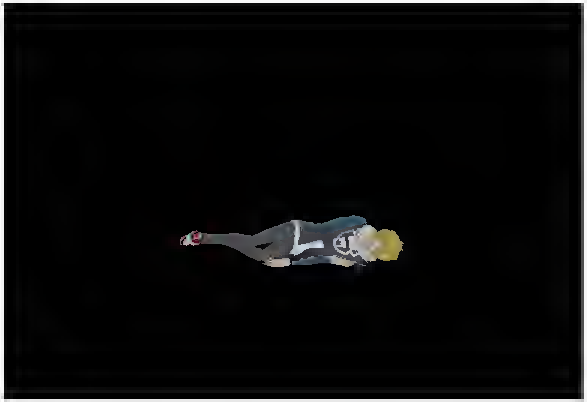
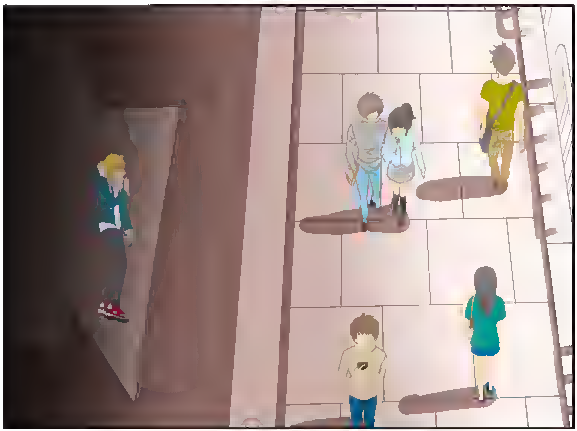
-Chapter 15-
A Walk (6)







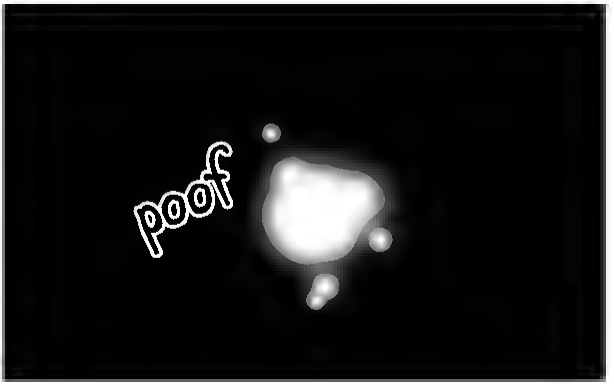


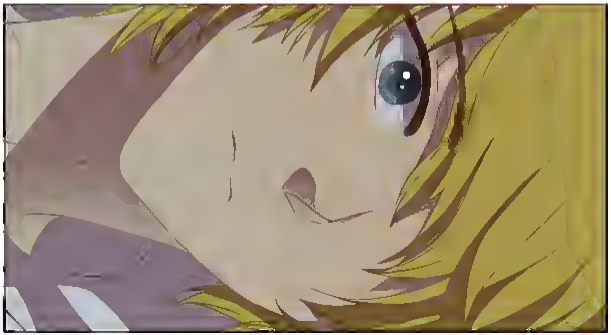
Whoa, I'm still shaking.
I don't like this feeling.

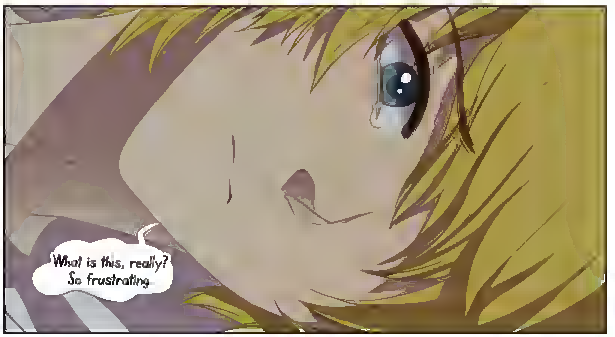
Oh right. I was supposed to get the necklace back. Yeojin-nuna must have been so surprised.
But...

Although it wasn't the same,
I was suddenly overwhelmed by similar feelings as that time.

What do I do now?







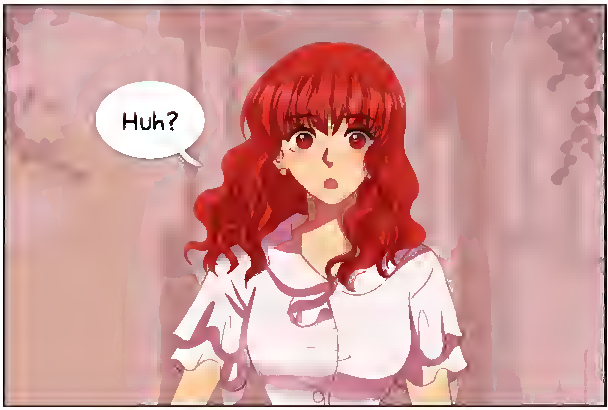
What is this, really?
So frustrating.

She's right in front of me

I saw him disappear near the intersection. But I don't see him anywhere. I'm tired.

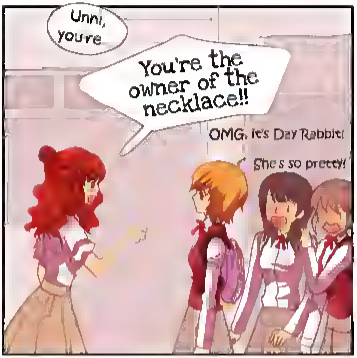
Hey, isn't she from "Day Rabbit"?
You're right, you're right.

Someone recognized me
I must work hard!
burning
up!!

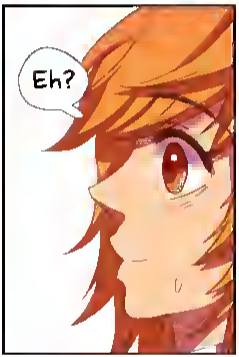


Huh?

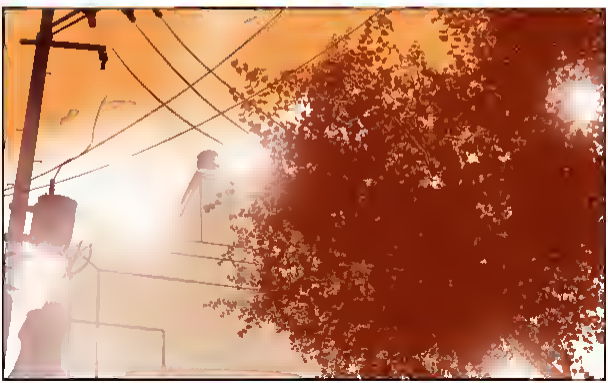
Hm?

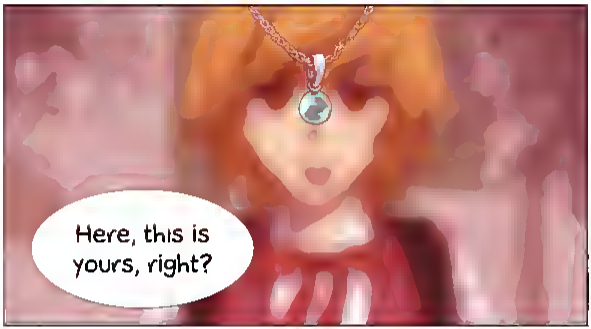


Unni, you're...
You're the owner of the necklace!!
OMG, it's Day Rabbit!
She's so pretty!

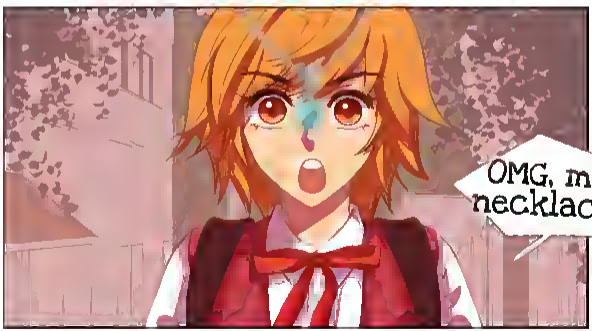


Eh?





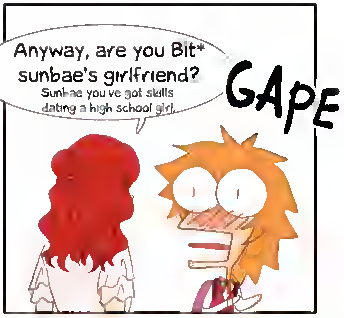
Here, this is yours, right?



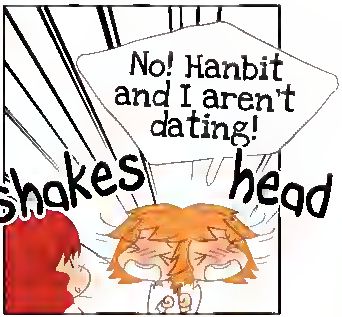
OMG, my necklace!

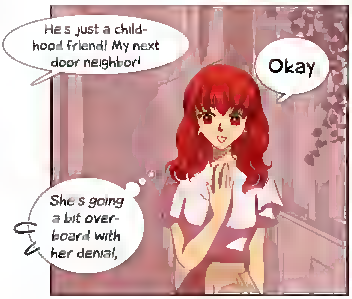
Thanks to you, I was able to experience a lot of things today.

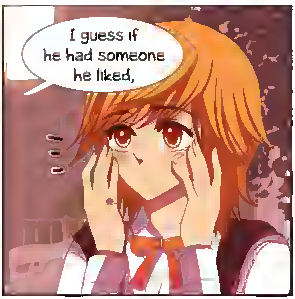
Don't lose it again. Gaon was sad.
So they were together.
Ah, yes. .yes!



(*She means Hanbit)







You shouldn't like my oppa.
Because he's only going to hurt you.

Why is everyone ..?

What is his personality bad? It can't be he's so nice.
I thought about not giving the necklace back to you.
Since he's a ghost it wouldn't have mattered who he was staying with.
No way!

I don't like that

Gaon belongs to me.

They're so alike. It's adorable.

Then don't lose this in the future Here, take it.

Huh?

Bye now.
Say goodbye to
Gaon for me.
Bye-Bye~

Ga-Ga-Ga-Ga-Ga-Gaon? What are you doing?!
WHAT'S WRONG WITH YOU?

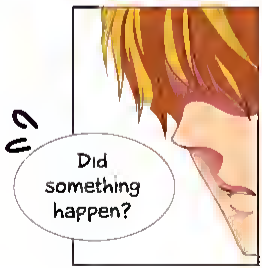
Are you crying?



Did something happen?

I was just happy to see you again.

You scared me!

Haram, don't lose the necklace anymore

Sure thing, kiddo. Why didn't you possess Garam's body? At least tell me what happened after I lost the necklace

Nuna promised she'd give me the necklace back if I played with her for a day...

You suck at negotiating. A whole day? Why not "a little while"? I was really worried.

Okay. If something like this happens again, I'll borrow Garam's body.

Good.

Hehe.

I gave up on Hankit as soon as I realized I liked him.
First, I like his face.
He has a thin face.
Should I go for botox?
I have a thing for skinny guys.
Should I lose some weight?
He listened because he seemed to genuinely like my singing

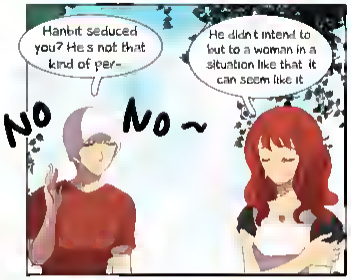
Did you really seduce her? You've got some balls.
Hanbit, you're scary.
That's not it. Calm down you two.

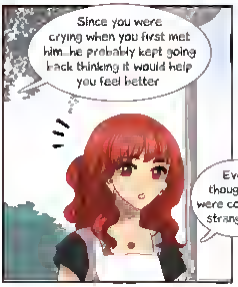


Hanbit seduced you? He's not that kind of per-
He didn't intend to but to a woman in a situation like that it can seem like it
No
No ~

Women usually misinterpret acts like those

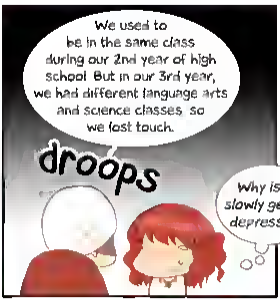
I wish Bit sun-bae-nim would be more considerate of others' feelings
Huh? It's not like that

It's just a mis-understanding. He really isn't like that. Rather, he's too caring of others.
I prefer C,



Since you were crying when you first met him...he probably kept going back thinking it would help you feel better.
Even though we were complete strangers?

Yeah, he really needs to fix that about himself! Though, he even got hurt that one time...
Eh?
No- nothing



We used to be in the same class during our 2nd year of high school. But in our 3rd year, we had different language arts and science classes, so we lost touch.

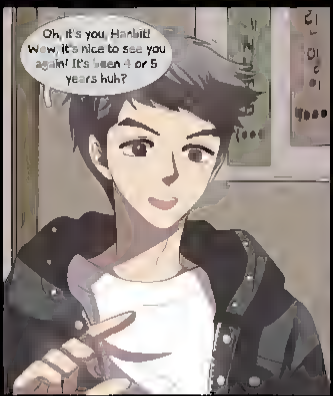
Why is he slowly getting depressed?

We didn't even know we were attending the same college after serving in the army. We met by chance at a restaurant

(Note: Men between the ages of 20-30 are required to complete military service that lasts two years in Korea. Only people deemed not qualified/healthy or somehow served the country well (e.g. World Cup) can be excused.)



Oh, it's you, Hanbit! Wow, it's nice to see you again! It's been 4 or 5 years huh?

Who are you...?

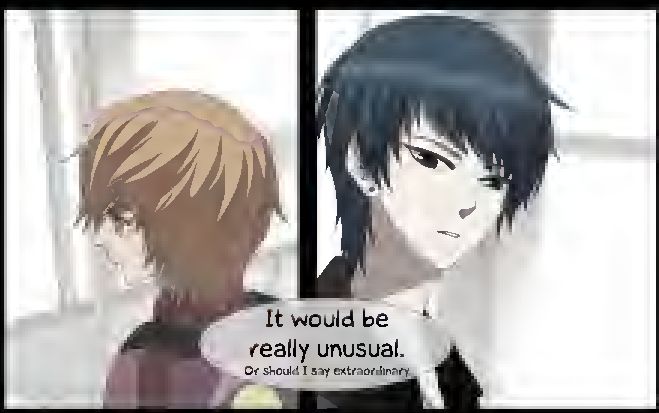
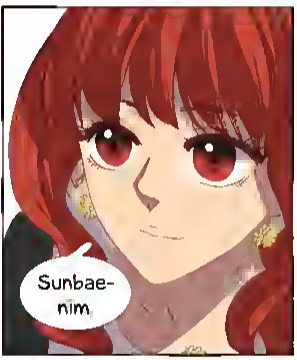
If Hanbit could recognize a single person at first glance,

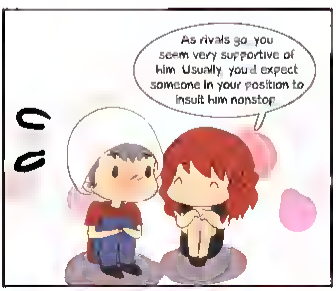


It would be really unusual.
Or should I say extraordinary.

Anyway, it's all a misunderstanding. He's a good guy. He just has zero interpersonal skills, that's all

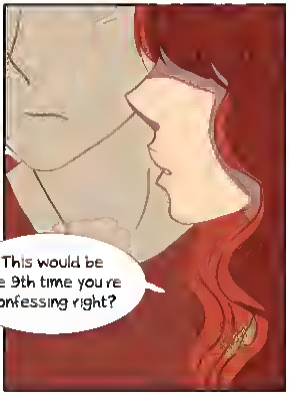


Sunbae-nim



As rivals go, you seem very supportive of him. Usually, you'd expect someone in your position to insult him nonstop.

Thanks for telling me how you feel even after being told I was leaving Korea



This would be the 9th time you're confessing right?

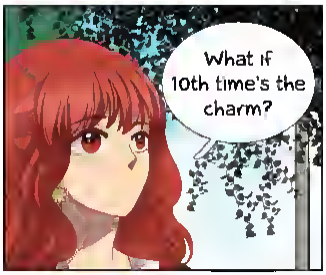
Do you think you could tell me again in 3 months?



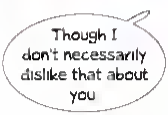
What if 10th time's the charm?

3 months?
Huh?
I'll be in Japan for 3 months. Hehe

Our sun-bae-nims at the company hit it off pretty big in Japan.
So I'm going to mooch off their fame and learn from them too
Our Sunbae-nims!

I fell for it.

By the way, for a big guy like you, aren't you really full of tears?



Though I don't necessarily dislike that about you

I came to see if he was doing okay, only to see him confessing to her again.
Geon was also there the last time Bekha confessed
That hyung really likes Yeojin-nuna

I guess everyone has someone he or she likes.

That girl next door is like that

Yeojin-nuna too,

A while ago I promised Gaon that when my exams were over,

We'd go somewhere far away to hang out for a day

Hm. It's morning so we'll have plenty of time to play~

But I lost the necklace, so that got delayed

I fixed it really well so it won't break anymore

Hm...

I wanted to hang out with Hanbit too... But when I called him yesterday...

Yesterday

Oppa, let's hang out!

I'm meeting with some friends for MT.

Oh... Okay
